

## CO-OP-DET

Low profile detector to match conventional analogue BSE109 base , made of plastic material and with a modern design .

- Certification : EN54 part 7
- Power supply 10-30Vdc
- current consumption in standby 130uA @ 24V
- Maximum current consumption in alarm 20mA
- Operating temperature 10 to +50 ° C
- Relative humidity 95 % RH
- IP Rating 40
- Diameter : 100mm ; Height : 54mm ; Weight : 100g ( with base)
