

## Eaton: Ion-40H

The i-on40H, hybrid control panel offers a straightforward secure configuration using the enhanced web browser and is compatible with Eaton's full range of radio peripherals and plug on communicators.

### *Feature packed to deliver you real benefits*

**Highly secure encrypted web browser:** mobile and tablet friendly interface for easy on-site system configuration

**Email notification:** Provides detailed system event information and image verification, when alarm is activated

**SIA over IP:** IP communication to your ARC with no requirement for a PSTN line, removing call charges and line fees

### *Easy updates*

**Panel software updatable:** provides choice of easy firmware update methods using Ethernet, USB and SD card
